

Dressing Up Academia worksheet

What was your favourite outfit growing up, when you were a kid? Describe it here.

What is your favourite outfit to wear at home? Describe it here.

What is your favourite outfit to wear if you're going out for dinner, friend's birthday party, etc? Describe it here.

The goal of this section is to ensure that your academic fashion *fits* with your style as it is now, rather than aspiring to a different style just because you have to professionalize.

Below, circle all the words that describe your favourite outfits. Put a star beside the single most important factor in these outfits as a whole.

What is your fashion avatar? Think of this whenever you buy clothes to ensure it fits with your fashion.

You should never buy something that does not align with the quality you starred on the last page.

Some examples of fashion avatars: Italian wizard in the fall, Gay Harry Potter, Androgynous ninja, Slightly Flirty Spock, Dapper Dracula, Business Angel, Cute Priest, Minimalist Hip Hop Artist, Timeless Silhouette, Boyish Pilot...

What is yours? Copy your most important descriptors from the last page with your starred factor at the top here, and then build up your guiding avatar:
